Brewery and Cricket Club. Pick up a map and get involved.

Why This Day Matters

More than just a day out, this is Bewdley coming together to raise awareness of dementia and support those affected, along with their families and carers.

The whole day is designed to be inclusive, relaxed and welcoming - there's something for everyone.

With sincere thanks to Bewdley Museum, The Chess Club, The Garden Kitchen, our wonderful entertainers, dedicated volunteers and local businesses who are helping to make this event possible.
